The Artist Agayev has suggested a fundraising idea. Participants will play the Euro Millions Lottery every Friday. The idea is that, playing together we can raise funds to help Leicester Art Zone (LAZ) to find permanent home. To join cost only £1 per week. Please read the terms and conditions below.

Contract between Leicester Art Zone and participant

Conditions:

1. If you paid £1 in this week, you won't play this week, you will play next week.
2. If you are a participant but forget to pay this week, your name is automatically excluded until you pay £1 again.
3. If we win less than £10, as there is not much money to share, we will use this money to buy an extra Euro Million ticket for the following week.
4. You will receive a message with which numbers have been played. We can also provide you with a copy of the played ticket. You will be immediately contacted, if we win a lottery.
5. If we win £100,000.00 or more, we will use the money to buy land or property for LAZ.
6. Once the property becomes available and running for the LAZ services, you have a right to shares of the profit. Payment will be made to each share holder equally from the profit left at the end of the year (Example: £10000 total annual profit divided between 10 sharers = £1000 each share holder).

7. All the assets; building and equipments belong to LAZ.
8. If we win £99,999.99 or less, we will equally divide that money between people who purchased the winning ticket.
9. Share holders have no right to interfere or demand how the business runs in the LAZ, however they can have an opinion.
10. You can leave from the share holder position, but if you do, you will get only £1 back.
11. You can give your share holder position to anyone.
